

Fred Hodgson's Tree 3177

This family lived in Hurworth on Tees in County Durham where six generations are buried. Research has shown taken the 'dynasty' back to Masham in North Yorkshire where Robert, a Farmer/Miller, married Miriam Pickard on 9th February 1738. We have ascertained that Robert was born c1715. He died in Yafforth, North Yorks, in 20th January 1779. Miriam died Yafforth 25th May 1794.

Their children were Ellen(Eleanor) 1739, John 1741, Jane 1745, **Robert 1748**, Christopher 1751, William 1753, Miriam 1756, James 1757, Isabella 1761 and possibly Ann.

Our line comes down through **Robert. b. 25th October 1748**. Married **Ann Pickard** 2nd June 1783. Ann died, reputedly in a Hunting Accident, 12th March 1795 leaving no known issue. Robert then married **Jane French** on December 18th 1799 in Croft on Tees. Together they raised ten children first in Croft on Tees and latterly in Hurworth where Robert ran the "Bay Horse" up until his death on 25th May 1838.
